

We Care Together!

Sint Maarten Medical Center (SMMC) is an ambitious and growing hospital organization on Sint Maarten, with more than 300 employees, 22 specialists and a capacity of 66 beds. We continuously strive to ensure safe, quality health care. Our primary service area, St. Maarten, Statia and Saba, represents a total population of approximately 60.000 people, constituting a multi-cultural mix with more than 100 different nationalities. In addition we offer health care services to the tourists, which include annually more than 2 million cruise ship tourists.

SMMC is on the verge of realizing a new hospital building, to expand its services in order to accommodate the increased care demand of the people of St. Maarten, its visitors and neighboring islands. The new hospital is planned to be operational in 2020.

St. Maarten Medical Center

Currently we have a vacancy for:

OPHTHALMOLOGIST

What we offer:

We offer you a full-time position in an open, professional and growing organization. You will be a pioneer at our growing establishment with many directive opportunities. You will play a central role in developing the direction of the department and you will be offered many opportunities for growth.

Your Profile:

At the St. Maarten Medical Center, you will be an all-round Ophthalmologist for a multi-cultural population. You have a broad interest in your specialization and you are willing to take on a leading role in moving the department forward. Providing quality care is of utmost importance to you as well as maintaining the continuity of care for our patients. You are enthusiastic and have great interpersonal skills. You are positive, flexible and willing to actively contribute to the daily operation of our establishment and the further developments of our organization.

Additional Requirements:

- ◆ Registered as an Ophthalmologist;
