

We Care, Do You?

Sint Maarten Medical Center (SMMC) is an ambitious and growing hospital organization on Sint Maarten. With more than 240 employees, 14 specialists and a capacity of 76 beds, we continuously strive to ensure safe, quality health care. Our primary service area, St. Maarten, Statia and Saba, represent a total population of approximately 60.000 people, constituting a multi-cultural mix with more than 100 different nationalities. In addition we offer health care services to the visiting tourists, which include annually more than 1 million cruise ship tourists.

It is our objective to become a leading medical institute within our Caribbean region. The next step in our strategic plan is the realization of an expansion project that includes among others a new ER department, an Operating Theater complex, a Medium Care Unit and an Intensive Care Unit.

St. Maarten Medical Center

Currently we have a vacancy for a:

RADIO DIAGNOSTIC TECHNICIAN

What we offer

We offer you a pleasant and rewarding work atmosphere with good growth opportunities within a team of 4 Radio Diagnostic Technicians supporting the Radiologist. At the Radiology department a variety of diagnostic services are offered using the various imaging techniques such as Bucky, CT scanning, Fluoroscopy and ultrasound.
