St. Maarten Medical Center (SMMC) is an ambitious and growing hospital organization on St. Maarten. With more than 400 FTE's, 28 specialists and a capacity of 70 beds, we continuously strive to ensure safe, quality health care. Our primary service area of St. Maarten, Statia and Saba, represents a total population of approximately 60.000 people, constituting a multi-cultural mix with more than 100 different nationalities. In addition, we also offer health care services to the 2 million visitors annually.

SMMC has started the construction of the new St. Maarten General Hospital (SMGH) to expand its services in order to accommodate the increased care demand of the people of St. Maarten, its visitors and neighboring islands. The new hospital is planned to be operational in 2023.
