

St. Maarten Medical Center

VACANCY: *Emergency Room Nurse (RN)*

St. Maarten Medical Center (SMMC) is an ambitious and growing hospital organization on St. Maarten. With more than 425 FTE's, 28 Specialists and a capacity of 80 beds, we continuously strive to ensure safe, quality health care. Our primary service area of St. Maarten, Statia and Saba, represents a total population of approximately 60.000 people, constituting a multi-cultural mix with more than 100 different nationalities. In addition, we also offer health care services to the two million visitors annually. SMMC is constructing the new St. Maarten General Hospital (SMGH) to expand its services in order to accommodate the increased care demand of the people of St. Maarten, its visitors and neighboring islands. The new hospital is planned to be operational in 2026.

Your Profile:

As an **Emergency Room (ER) Nurse**, you work closely with ER physicians and specialists in a busy, fast-paced environment treating patients who present with acute medical, surgical, or mental health complaints. You are responsible for identifying medical issues, determining severity using the Manchester Triage System, providing immediate support to minimize negative effects, and if necessary, sustaining life. You are an enthusiastic team player with excellent interpersonal skills and willing to actively and positively contribute to the daily operations of our hospital.

What We Offer:

At SMMC, we offer you the opportunity to work at in a dynamic, fast-paced environment with an enthusiastic team of qualified professionals. You'll embark on a full-time role within our expanding organization with many opportunities for personal and professional development.

Requirements:

- A Registered Nurse diploma/MBO level 4 with a specialization in Emergency Care;
- A minimum of three (3) years' working experience;
- Knowledge of work processes in the ER;
- Basic Life Support (BLS) and Advanced Cardiac Life Support (ACLS) diploma is necessary for CPR;
- Basic computer skills with a focus on Microsoft Office;
- Patient-centered with excellent communication skills and a high level of integrity;
- Working proficiency in English; knowledge of an additional language is a plus.

Tasks:

- Perform triage on patients entering the ER for acute medical care;
- Start necessary treatment in emergency situations awaiting the ER doctor (starting CPR, providing oxygen, etc);
- Carry out technical nursing procedures (reserved procedures) in accordance with professional standards;
- Prepare examination room for patients and ensure all necessary instruments to perform an examination or carry out treatment are available and prepared for use;
- Assist with all activities for determining diagnosis of ER patients (e.g. EKG tests, transporting blood tests to lab, etc);
- Answer questions, guide, and instruct patients and their family to achieve favorable patient outcomes.

Interested?

For more information, contact our Human Resource Department at +1 (721) 543-3154 ext. 201 or 203. Your motivation letter and resume can be submitted to the HR Department via careers@smmc.sx.
